TEAM CAPTAINS

Some Reminders

When a team captain needs to subtract pins for a bowler, it is important that the pins be subtracted only after the box is completed. If it is done before completion, the alley's computer will still count the deducted pins. The computer counts all downed pins on the final roll.

Late Arrivals -- Any bowler arriving after the first bowler on their team begins their fifth frame, cannot compete in that string, but they may compete in subsequent string.

If you have any questions, see David Dennett or one of the other Board Members.
