Weekly Newsletter

Monday 10/1/2018

HAPPY OCTOBER!!

Officers this year:

Sean Donnelly - President
Jay Menick – Vice President
Stephen Broudeur – Treasurer
Kevin Brown – Statistician
Open Position – Sgt at Arms

We need a Sgt at Arms officer to help us with weekly tasks and responsibilities, including but not limited to selling raffle tickets each week. Please let one of the officers know if you are interested.

Incentives this year:

\$20 back for each new bowler that you recruit to the league. The new bowler must be a full time member for the entire year to qualify for the incentive.

Weekly Stats Reports:

There is a known issue with weekly stats reports that has to do with Boston Bowl not having the reporting on their website that they used to. We are aware of the issue and working on a long-term solution.

Pay with Venmo:

Starting this season, we are asking for as many bowlers as possible to take advantage of paying for their dues with Venmo! Venmo is a free service, linked to your accounts, that allows you to make payments quickly and easily through an app. This will allow us to more quickly manage payments, payment history, as well as utilize the no fee service that reduces the workload of the officers.

Check out Venmo online.

**Our Venmo handle is:
@mnblboston**

See Stephen (Treasurer) for more information!

Weekly Raffles:

We encourage everyone to buy raffle tickets each week. It is a great way to win some CA\$H while supporting the league and the events that come to you throughout the year. Thank you for your continued support!

We need new Bowlers:

This season the registration fee and weekly bowling fee will be \$20. The more bowlers we have, the more income we have to do fun things, so please spread the word that we are looking for new bowlers. Please share our pages, and help us try to attract some new bowlers! Facebook is a great tool to do that.

2018 – 2019 Prelim Financial Concern:

This season due to fewer bowlers, as well as an increase cost to Boston Bowl, we are going to have to make some financial decisions to shore up the budget. This could include re-organizing prize nights, as well as charging for the holiday party and/or year end banquet. Once we have our final roster of bowlers we will make some decisions. Any ideas on how we can raise money or attract new bowlers?

**Review our rules
and our 10
commandments
on our website!**

FIRST AND FOREMOST – WE ARE A NON-COMPETITIVE FUN LEAGUE!! WE ARE ALL HERE TO HAVE FUN AND ENJOY A NIGHT OUT! If you're running into an issue with another team and the way they are bowling please bring it to one of the officers' attention and we will address it!

Practice starts weekly at 7:05PM. Boston Bowl asks that we be finished with bowling by 9:45pm forgoing any issues with the alleys! Please do not delay bowling if possible.
